Elite Christian Academy

Creating Christian Leaders of Today and Tomorrow

The mission of Elite Christian Academy is to help each student develop a lasting relationship with Jesus Christ while providing a high quality Christian education tailored to meet each student's individual needs.

Thank you for your interest in Elite Christian Academy! The experience at Elite Christian Academy is unique to all other private schools. ECA provides an almost "one-room schoolhouse" kind of classroom setting for grades Pre-K through 12th and a home-school partnership for grades 9-12 (other grades available upon interview). You can be assured that we will work with your child on their level to get them above and beyond where they need to be.

Enclosed are details regarding admissions, dress code and financial information. The new student application may be completed online or by hard copy. A non-refundable registration fee must be submitted with each application.

If you have questions or would like more information, please do not hesitate to call our main number at (254) 219-1950. It would be a privilege to serve your family!

Curriculum

ECA primarily uses Abeka curriculum, which is a Christian-based college preparatory curriculum. Abeka began publishing educational materials in the mid-1950s and has continued to be a trusted provider to schools and homeschooling families ever since.

Our teachers do supplement with different curriculum, but our studies are always centered around our Christian faith. The teachers have the ability and knowledge to know which curriculum facilitates the learning styles our students need.

Students removed (expelled, suspended, reassigned, etc.) from another school are not accepted within at least one year of expulsion.

ECA does not provide enrollment to students whose educational, social, and physical needs cannot be met by our existing programs, services, or staff. **All new students are considered on probation (academic and/or social) for the first quarter and may be denied further enrollment at the sole discretion of ECA.**

PARENT COMMITMENT AND STATEMENT OF COOPERATION

Home Education

ECA is a parent-directed home education program and parents are required to teach their children at home with assignments according to lesson plans provided by the teachers.

Families are encouraged to enhance and individualize the home education program as needed. ECA's administration and teachers are available to give guidance in regards to individualizing a child's education. Parents are first and foremost responsible for their child's education. The partnership between the parent and the teacher will be based on trust and a mutual desire to honor the Lord Jesus Christ in all that is taught to our children.

Parent Partnership

I understand that Elite Christian Academy is a cooperative venture among all of the families that they serve. I understand the importance of volunteering and participating in the various activities and fundraising efforts of the school. I will volunteer as a classroom parent at least one day per semester.

STUDENT AND FAMILY CODE OF CONDUCT AGREEMENT:

ECA emphasizes three goals:

- 1) Developing character qualities that exemplify Jesus Christ
- 2) Striving for academic excellence
- 3) Serving others within the home, classroom, school, and community

I am applying as a student of Elite Christian Academy because I desire for these goals to be developed in my life.

As a student of Elite Christian Academy I agree to:

- Follow all policies of the school, including those found in the school policy handbook.
- Show honor to God in my speech, dress and conduct.
- Make my studies a priority and continue to do my personal best at all times.
- Accept my place of leadership to younger students and model appropriate behavior to them.
- Strive to follow Colossians 3:23 by doing everything as unto the Lord, including showing a positive and constructive attitude.
- Guard against cheating, lying, and other dishonoring behaviors.
- Develop my gifts and talents in order to build up others around me.
- Show respect to my classmates by demonstrating kindness and refraining from teasing, gossip, and hurtful actions.
- Seek opportunities to daily serve others around me by putting others before myself.
- Follow directions the first time they are given.
- Show respect to visitors in the way that my teacher has appointed.
- Show respect by being courteous in the hallways and by careful use of the facilities and grounds.

As an extension of the respect policy, we ask that students refrain from bringing any type of toys or recreational magazines to school, as well as to avoid discussions regarding movies or popular music. These things do not lend themselves to a productive academic setting and can cause unnecessary distractions.
